

Price List - Competent Software

Dear user,

thank you for your interest in our software products.

Enclosed, you will find our price list for our different license models. Please note: Only the private "home-license" is free of charge. If you would like to use programs on business (i.e. in your office) you must purchase one of the following licenses.

License table:

Single-User-License:	This license may be used only on one system (no server!)
2-User-License:	This license may be used up to 2 systems at the same time (no server!)
5-User-License:	This license may be used up to 5 systems at the same time (no server!)
10-User-License:	This license may be used up to 10 systems at the same time (no server!)
Server-License:	This License may be used only on one system (also server)
2-Server-License:	This license may be used up to 2 systems at the same time (also servers)
5-Server-License:	This license may be used up to 5 systems at the same time (also servers)
10-Server-License:	This license may be used up to 10 systems at the same time (also servers)
Educational-License:	Special license for schools, schoolboys, teachers and students

Payment options:

We offer the following payment types (supported by our partners):

- **Credit Card**
- **Solo/Switch/Maestro (only if issued in UK)**
- **Bank/Wire Transfer**
- **Check**
- **Cash**

We use SSL (Secure Sockets Layer) encryption technology to transfer your data securely. Our encryption is certified by VeriSign.

1. Credit Card

- We accept Visa, MasterCard, American Express, JCB and Diners Club.
- When you pay by credit card, your order will be processed immediately. Postal mail shipments are initiated immediately. Products available electronically are generally ready for download immediately, or no more than 48 hours after you place your order.

2. Solo/Switch/Maestro (only if issued in UK)

- We accept debit cards from Switch/Maestro and Solo (UK).
- When you pay by debit card, your order will be processed immediately. Postal mail shipments are initiated immediately. Products available electronically are generally ready for download immediately, or no more than 48 hours after you place your order.

3. Bank/Wire Transfer

- To help minimize fees for wire transfers to foreign countries, you may send bank transfers to one of our accounts in Germany, France, Great Britain, Finland or Japan.
- You will receive the bank information via e-mail after your order has been processed.
- You will receive your product once payment has been received.

Price List - Competent Software

Online wire transfer

- Online wire transfers are applicable only for orders placed within Germany in Euro.
- Prerequisite: Your bank account has been activated for online banking, and you possess valid authorization and authentication information (such as PIN/TAN).
- The wire transfer will be processed using a Java applet on your system. For this wire transfer, all information exchanged between the account holder and the institution managing the account will be encrypted.
- For online wire transfers, the product is usually delivered immediately, whereas for traditional wire transfers, the product is delivered after receipt of funds.

4. Check

- We accept all personal, business, and Cashier's checks. Please note that personal checks may be held for up to 10 business days.
- Please note that postal money orders must be in US dollar currency and drawn on an US Bank. Please send those postal money orders to our partner US-Office:

ShareIt! Inc.
9625 West 76th Street, Suite 150
Eden Prairie, MN 55344
USA

- You will receive detailed information by e-mail after your order is processed.
- Products will be shipped once payment has been received.

5. Cash

- You can also send us cash by mail. You will receive notification of our postal address by e-mail after your order is submitted.
- Your order will be shipped as soon as payment is received.
